

February 27, 1976

CLERK: Motion on the desk.

PRESIDENT: Read the motion.

CLERK: I move we adjourn. Signed Senator Cavanaugh.

PRESIDENT: That is not a debatable motion, but I would recognize the Speaker.

SENATOR BURBACH: You are correct. It is not a debatable issue.

PRESIDENT: I have asked the Speaker not to debate, to discuss the matter of whether to adjourn or not, but in case it prevails, would you have any announcements.

SENATOR BURBACH: Mr. President, if you will check the rules, a rule was introduced by this body. It was introduced by Senator Kelly, adopted by this body, if a motion for adjournment is made, it is not debatable other than the Speaker may make some statements.

PRESIDENT: Yes, sir, that is correct.

SENATOR BURBACH: May I proceed?

PRESIDENT: I would ask you not to discuss the question of whether to debate or not but proceed, Senator.

SENATOR BURBACH: Mr. President, members of the Legislature, we, as a group, are attempting to face up to our responsibilities here. We, as a group, have shown by the last half a dozen votes here that we do want to continue and we do want to do our work here this afternoon. We have some more bills to do. We have an awful lot on the General File and certainly we would be hopeful that we would not leave this body in the middle of an afternoon and leave two or three hundred bills left on the Board.

PRESIDENT: Will all those in favor of adjournment say aye. Contrary say nay. Motion fails. Mr. Clerk, read whatever else you have on your desk. All right. Was that a motion to move that bill? Whose motion was it?

CLERK: Senator Dickinson's motion to advance the bill.

SENATOR DICKINSON: Are the amendments adopted?

PRESIDENT: All right.

SENATOR DICKINSON: Were the amendments adopted?

CLERK: Yes.

PRESIDENT: Yes.

SENATOR DICKINSON: I move LB 715 be moved to E & R Initial.

PRESIDENT: All right. You have heard the motion. Senator Cavanaugh, do you want recognition?
